YOUR ADVANTAGES OF WORKING WITH F&P EXECUTIVE SOLUTIONS AG

- Expert advice and the best interim management along the entire industrial value chain, efficient handling of even the most complex projects.
- We do offer everything from individual interim executives to entire, well-coordinated management teams.
- We do guarantee quality - all our partners and associates are subject to strict criteria of an accredited selection process.
- Application of modern leadership approaches and concepts.
- Expertise in the latest methods, processes and technologies.
- Partnership-based teamwork with a holistic focus on success.
- Transfer of extensive corporate and SME best practice know-how and benchmarking.

„CLOSING YOUR BUSINESS GAPS“

INDUSTRY EXPERTS OF F&P AG CLOSE YOUR KNOW-HOW AND PERSONNEL GAPS

- Advice and implementation from a single source - from practice - for practice: “hands-on-management”.
- Advice from well-established project teams and different specialists as required.
- Efficient way of working with your organization through the use of digital, innovative and collaborative methods and tools.
- Project security through direct replacement in the event of a loss of a consultant or interim manager.
- Standardized and transparent billing model also for larger projects.
- We speak your language.
We are solution- and implementation-orientated.

F&P EXECUTIVE SOLUTIONS – ONE OF THE LEADING FIRMS FOR IMPLEMENTATION-ORIENTATED CONSULTING INTERIM MANAGEMENT SINCE 2009

Our partners are subject to strict quality management by an accredited selection process. We have successfully carried out a wide range of projects for „hidden champions“, market leaders and multinationals from different industrial groups and medium-sized companies.

From the first and second management level to project management:
everything from a single source.

This guarantees a quick and smooth process – even for larger projects.
