

We are looking for experienced freelancers to join a strong community and bring the following experience to strengthen our firm:

Interim Manager / Partner Finance for Accounting and Consolidation

You should have a university degree and at least 5 years of experience in a B- or C-level position, as well as at least 2 years as an interim manager

You should be able to meet the following professional requirements:

- Experience in the area of financial statements and consolidation
- Knowledge of today's ERP systems and their capabilities
- Successful implementation of projects with digitalization aspects
- Basic knowledge of the differences between the various accounting standards
- Interest in the new type of sustainability reporting

Particularly important to us is the ability to see beyond one's own area of responsibility and thus be able to optimize interfaces and processes.

In order to ensure a successful and homogeneous cooperation, we expect the following characteristics from a future partner:

- "Hands-On" mentality
- Interdisciplinary thinking
- Integrating and mediating approach
- Strong communication skills
- Decisiveness
- Ability to accept conflicts and resolve them quickly
- Strong assertiveness
- Ability to work in a team and share experiences in a group setting
- Strong acquisition skills and experience for winning mandates.

German and English spoken & written are a prerequisite - any other language is welcome
