

To strengthen our freelance partnership, we are looking for:

Interim SAP Project Managers as partners

have a university degree and at least 5 years of experience in a B- or C-level position, as well as at least 5 years of experience as an interim manager in the SAP environment.

You should be familiar with the following technical applications:

- Terminology, possibilities and tools of the SAP world
- SAP project methods ASAP and Activate as well as the associated tools for project control
- Agile project philosophies
- Professional experience both in SAP consulting companies and in customer project

Ideally, you have already worked as an **SAP consultant** in one of the core modules FI, CO, MM or SD and know the technical background of the SAP solution.

In order to ensure a successful and homogeneous cooperation, we expect the following personal **characteristics and skills** from a future Associate Partner:

- "Hands-On" mentality
- Overall business understanding
- Experience in change management
- Confidence in managing medium-sized and international teams
- Knowledge of medium-sized companies and their special features
- Team-oriented and convincing
- Confident in dealing with classic project crisis situations
- Interdisciplinary thinking

German and English spoken & written are a prerequisite - any other language is welcome.

We look forward to receiving your application via this [hyperlink](#). You will hear from us!
